Four Paws (Laundry) makes every possible effort to ensure that washing and drying services are maintained at the highest level of quality. Four Paws (Laundry) accepts no liability for any damage that might occur during washing and drying, including any tears, worn stitching that comes loose, or shrinkage, and does not guarantee the total removal of all stains.

Due to lack of storage and customers not coming to collect their rugs we've had to introduce a storage fee of £2 per day, which will begin 14 days after we have first text you on the number you have provided above.
